PETITION FOR DUPLICATE LETTERS PATENT UNDER 37 CFR 1.182

Sir:

This is a petition to obtain a duplicate copy of the Letters Patent issued in the above-identified patent on April 25, 2006.

Statement of Facts

The undersigned received the original Letters Patent for the above-identified patent shortly after April 25, 2006. On April 28, 2006, a customary letter was drafted to the patent owner (CacheStream Corporation) enclosing the original hard copy of the Letters Patent. However, due to an internal administrative error, the original Letters Patent sealed and enclosed in an envelope was couriered to the mail room of the Office of Initial Patent Examination (OIPE) U.S. Patent and Trademark Office (USPTO) via hand-carry instead of depositing in U.S. Mail. Following these sequence of events, several attempts were made in the next few days after April 28, 2006 to locate and retrieve the original Letters Patent, to no avail. Thereafter, until today, August 25, 2006, the undersigned waited to see if the USPTO would eventually find the original Letters Patent filed with the Office in error and forward it to the undersigned. However, as of August 25, 2006, the undersigned has not received the original Letters Patent certificate.

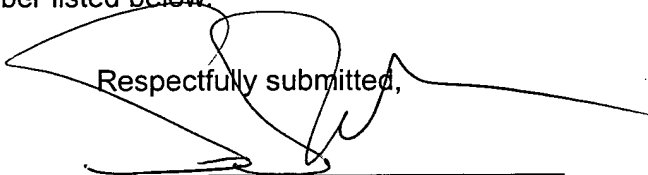

Conclusion

In light of the above-outlined statement of facts, the undersigned respectfully petitions to obtain a duplicate Letters Patent. Please charge to **Deposit Account No. 50-2849** the sum of **\$130.00** to cover this petition under 37 C.F.R. 1.17(h). In the event any variance exists between the amount authorized to be charged and the Patent Office charges, please charge or credit any such variance to **Deposit Account No. 50-2849**.

Should the Commissioner require anything further in order to fulfill this petition, he is invited to contact the undersigned at the telephone number listed below.
